SUMMARY

Python Developer and Software Developer with hands-on experience in Django, APIs, database integration, and full-stack application development.
Possess basic knowledge of Data Science using Python libraries such as Pandas, NumPy, and Matplotlib for data analysis and visualization.
A self-driven learner with an interest in Data Science field, problem-solving, and scalable application development.

PROJECTS

SmartHire AI | Resume Parsing & Skill Analysis Platform

- Developed an AI-based resume analysis platform using Python, Django, MongoDB, and spaCy NLP to extract technical skills from resumes and match candidates with industry roles.
- Integrated GitHub REST API and Adzuna Jobs API for developer profile analysis and real-time job market skill matching.
- Implemented resume scoring, skill gap analysis, interactive dashboards, and data visualization using Chart.js.

Desktop Appointment Scheduling System (Python, Tkinter, SQLite)

- Developed a standalone, cross-platform appointment management application using Python and the Tkinter GUI library for a responsive and intuitive desktop interface.
- Designed and managed a local SQLite database schema for secure and persistent storage of client records, provider schedules, and booking logs.

EDUCATION

Bachelor of Computer Application(BCA)	Aug 2023 - May 2026
Pimpri Chinchwad University / CGPA: 7.86	
Class XII	2022 - 2023
Enzhochem High School, Yeola / Percentage: 72.83%	

ADDITIONAL INFORMATION

- **Technical Skills:**
 - Programming Languages:** JavaScript, Python, Django
 - Frontend:** HTML, CSS, React.js (Basics)
 - Backend & Databases:** DBMS/RDBMS, SQLite,Postgresql,MongoDB
 - Tools:** GitHub, VS Code, Jupyter, Atlas, Render
- **Languages:** English, Hindi, Marathi.
- **Certifications:** Python | AWS Cloud Technical Essentials |Google AI Essentials | Data-Science
- **Awards/Activities:** Awarded Best Research Paper at Viksit Bharat 2047 organized by Bharatiya Shikshan Mandal (**National Security in the Modern Era: Cybersecurity, Information Warfare, and Self-Reliance in Defense**)
